Child Development Center Book Club Interest Meeting

The Teachers at the Child Development Center invite you to join them at a book group. The book they have chosen to discuss is *Last Child in the Woods* by Richard Louv.

A planning meeting will be held on Thursday, February 11 from 12 to 1 pm in the multipurpose room at the CDC. Together, the group will decide the parameters of the book club – what time to meet, how often, etc. The CDC welcomes all interested readers to share an awareness of and appreciation for the natural world! If you are interested in discussing the book with them, please respond to ucostin@gmu.edu.
