CDC Yarn Bomb Project

This year, Work Together Wednesday (April 18, 2018) and Artsy Thursday (April 19, 2018), are melding together for the Child Development Center (CDC) yarn bomb project!

Yarn bombing is a type of graffiti or street art that employs colorful displays of knitted or crocheted yarn or fiber. This year, they are yarn bombing the CDC fence!

The CDC is searching for:

- Yarn donations
- Volunteers to crochet/knit flowers, leaves, butterflies, bumblebees, and ladybugs

They are accepting donations now through April 1.
