Greetings!

As you may remember, last year Governor McAuliffe announced that Virginia was the first state in the nation to become an [Employer of National Service](#). As a follow-up to this initiative, First Lady McAuliffe has recently requested all state agencies, including Mason, ask their current workforce if they have national service experience.

To that end, we have set up a webpage at <https://typhon.gmu.edu/HR/nationalService/> where you can voluntarily share any national service experience with:

- AmeriCorps
- Peace Corps
- National Civilian Community Corps
- Volunteers in Service to America
- Senior Corps
- USA Freedom Corps
- President's Volunteer Service Award
- Presidential Freedom Scholarship Program

If your national service organization is not listed above, there is a place on the website to record other types of national service.

Please reply no later than 12:00pm this Friday, June 10th. We know that this is a quick turnaround and we appreciate your attention to this matter.

Thank you!
