Website Changes
There are a few changes to the HR & Payroll website. We’ve refreshed the homepage and added direct access to our retirement resources (look for the gold button). In response to valuable feedback from faculty, we have also created a retirement landing page http://hr.gmu.edu/benefits/retire/ that is tailored to faculty and staff’s
career cycle at Mason. Whether you’ve just started, are in the midst of your career, closer to retirement, or are retired, you can find information tailored to your needs.

We’d love to hear your feedback on the resources provided and how they’re organized. Please email us at worklife@gmu.edu.
