Anthem Breach Update

We have recently learned that a small number of employees have experienced federal tax returns being fraudulently filed on their behalf due to identity theft. Impacted people can call the AllClear fraud unit for assistance with issues including taxes at 1.855.434.8077. There will be several prompts, they should select: Option 1, then Option 2, then at the third prompt just wait for a representative. In addition to providing the steps to clear the matter with the IRS, AllClear can help with an insurance claim for the time the issue caused them to spend to repair their identity.

If you have a faculty or staff member who has been impacted regarding their taxes and he/she would like to reach out to the IRS directly, the IRS Identity Theft Affidavit is located at <http://www.irs.gov/pub/irs-pdf/f14039.pdf>.

The website for the Anthem breach is <https://www.anthemfacts.com/>
