Live Financial Well-Being Seminars from TIAA-CREF

TIAA-CREF is offering a number of live webinars on financial well-being topics such as managing income and debt, saving for retirement, income options in retirement, and many more. A flyer with all the class information through September is available at https://www.tiaa-cref.org/public/pdf/VE_Calendar.pdf; class descriptions are available at https://www.tiaa-cref.org/public/pdf/VE_Curriculum.pdf. New Fiscal Year May Bring Paycheck/Benefits Changes

Remember to check your pay stub every pay period. It's easy to do at <http://patriotweb.gmu.edu>. Log-in and go to Employee Services, then Pay Information, and Pay Stub. The first paycheck of the fiscal year (7/17/15 for bi-weekly and 7/16/15 for semi-monthly) will reflect any changes in health insurance premiums as well as changes in optional life insurance rates.

Child Abuse and Neglect Mandated Reporting

Please remind your faculty and staff that all university employees have an obligation under state law to report any suspected child abuse or neglect. For details, please visit [reporting child abuse](#).
