Welcome to George Mason University!!

We hope you find your transition to life at Mason seamless. The Staff Senate is here to assure that your experience at Mason is a positive one.

The Staff Senate maintains a dialogue between Mason classified and non-student wage staff, and the University administration. We pledge to make ourselves available to discuss issues and ideas, bringing them to the appropriate forum for further consideration by the administration. Our close working relationship with the administration, faculty senate, and student government allows us to prompt changes that better the lives of the entire Mason community.

As you become accustomed to life at Mason, we welcome you to visit our website where we have posted quick-access links to important staff resources. Your engagement in senate activities is important. Without a voice from the staff members, we cannot effectively inspire changes within the university that will improve your working conditions and work-life. Please feel free to e-mail us, call our Administrative Assistant, contact individual senators, attend a general meeting, or interact with us on Facebook at <http://www.facebook.com/staffsenategmu>. We will be sure to take action on all inquiries.

We look forward to working with you. All the best in your transition to Mason and if there is anything the Senate can do to make your transition more smooth, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Joey Carls".
