Now, NO COPAYS for routine physical exams and screenings:

- Routine physicals and PSA tests
- Well child exams
- Annual OB/GYN exams, screening mammograms, and PAP smears
- Routine immunizations
- Prostate and colorectal cancer screenings
- And more

Why? Because healthy living begins with prevention.

You deserve a life well lived. Choose Kaiser Permanente.

*Medically appropriate preventive health care services are covered based on age, sex, or other factors in accordance with the national preventive health care standards. Nonpreventive services received during a health assessment or other preventive examinations may result in additional charges for the specific treatment or service depending on your benefit plan.
