

Invitation

Working Dad's Group

The role of a father comes with many dimensions but without a guide book.

Join other dads who are interested in getting together regularly to swap stories and gain insight into the fathering role.

For the meeting schedule, to be included on the Working Dad's listserv, or if you have any questions, please contact Toby Hettler at 3.3987 or via email at thettler@gmu.edu.
