I-9 Reminder

We want to make sure your new employees have everything they need to get started right away!
Hiring a new employee requires a number of processes, some of which are governed by state policy and federal law. One of these federally mandated processes is the I-9 process.

Action Items:
- Please remind the new employee they must complete Section 1 of the Form I-9 on or before their first day of work
- Please remind the new employee they must visit Human Resources and Payroll, with their acceptable document(s), to complete Section 2 of the Form I-9 no later than three (3) days after their first day of work

Email Reminders:
- MasonOnBoard, Mason’s electronic onboarding system, sends three email reminders to the new employee; one each day of their first three days of work
- If the new employee does not complete the I-9 process, a fourth and final email is sent to the respective MasonOnBoard hiring manager
  - This email directs the hiring manager to terminate the employee immediately
  - The new employee will not be allowed to work at Mason again until they fully complete the I-9 process including presenting acceptable documents to HR & Payroll or the designated I-9 representative

If you have questions about I-9 compliance, please contact Debbie Gupta at dgupta5@gmu.edu or 3-9459.

Compensatory Leave Reminder

Compensatory Leave is earned by classified staff on an hour-for-hour basis when the employee works:
- On a holiday
- When the university is officially partially or fully closed
- On a scheduled day off

Notes on Limits and Expiration:
- Employees are limited to 96 hours of accrued compensatory leave
- Per State Policy 3.10, accrued compensatory leave expires one year from the pay period in which the hours are accrued, regardless of the 96 hour limit
- Once hours expire or lapse, accrued compensatory leave may not be used and cannot be paid out upon an employee's change of status
Please remember to check your balance and use your Compensatory Leave before other leave types. You can review your leave balance by visiting the Patriot Web “Employee Services” tab and selecting “Leave Balances and History.”

If you have questions, please email payroll@gmu.edu.
